GM GROUP (Prior to 1984)

On all GM cars, except the Corvair and Corvette, the identification plate is on the upper left or right side of the firewall, under the hood. On the Corvair, the plate is on the instruction panel brace below the glove compartment.

GM GROUP (1984-Present)

All GM cars produced after 9/15/84 have a dual colour identification system. Locate the “WA Part Number” or a number with an “L” suffix (lower body colour) and/or a “U” suffix (upper body colour).
